This document was prepared for the National Technical Assistance Network for Children's Behavioral Health under contract with the U.S. Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Contract #HHSS280201500007C. The views, opinions, and content expressed in this document do not necessarily reflect the views, opinions, or policies of the Center for Mental Health Services (CMHS), the Substance Abuse and Mental Health Services Administration (SAMHSA), or the U.S. Department of Health and Human Services (HHS).

The National Technical Assistance Network for Children's Behavioral Health (TA Network) operates the National Training and Technical Assistance Center for Child, Youth, and Family Mental Health (NTTAC), funded by the Substance Abuse and Mental Health Services Administration, Child, Adolescent and Family Branch to provide training and technical assistance to states, tribes, territories and communities funded by the Comprehensive Community Mental Health Services for Children and Their Families Program (known as "system of care grantees"), as well as jurisdictions and entities without system of care grants, including youth and family leadership and organizations.
